

SPS/GZ to Present at the Chapter Meeting of the Chicago Chapter of the NASPP

Chicago, IL, October 20, 2010 – **Stock Plan Solutions/Green Zapato LLC (SPS/GZ)**, a leader in equity compensation administration and outsourcing today announced that Rick Zatz, CEP, will be presenting at the meeting of the Chicago Chapter of the NASPP in October 27, 2010.

The U.S. Treasury Department issued the final regulations relating to the return information statement requirements under IRC 6039. These regulations impose return and information statement reporting requirements on any corporation that transfers stock pursuant to the exercise of ISOs or the purchase of stock under an ESPP. The presentation titled **“IRC 6039 - Ready or not, here it comes”** will be discussing this new regulation.

“IRC 6039 reporting deadlines coincide with yearly or quarterly audits and reviews for most public companies. My presentation will address issues related to the regulation so we can help attendees plan ahead,” said Rick Zatz, co-founder and principal at SPS/GZ.

“I’m really looking forward to representing SPS/GZ at the meeting of the Chicago Chapter of the NASPP. I am eager to meet the members and discuss in person the new IRC Section 6039 mandate from the government,” added Mr. Zatz.
